SIGNATURES 24

SANTORINI TWIST

zesty, flirty, and not here to play nice.
malfy gin, limoncello, fresh lemon, and a sweet little
syrup to shake it up, enough sugar to make you blush.
—lemon meringue if she had a nightlife phase

LIFE'S A BEACH

smooth, sunny, and just a little too easy.
stolen white rum, coconut, piña classic
escapism done right
— paradise poured, responsibility optional

SNEAKY LINK

juicy, fiery, and strictly off the record.
rooster rojo tequila, watermelon, honey and chilli...
short, bold, and a little bit naughty
— the one you don't tell anyone about

MONT BLANC

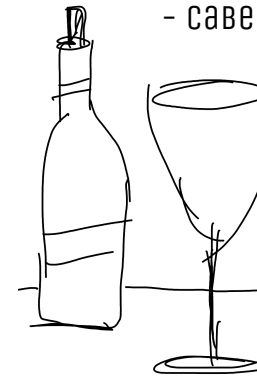

tullamore folded into coffee liqueur and cream
velvety, nutty, and dangerously smooth
— tastes like the night getting away from you
